

Notes of Thanks

From Kathleen VanInderstyne and Amy Davis (The Christmas Bureau): Dear Maria and Emmanuel Friedens Church, We at the Schenectady Co. Christmas Bureau want to “thank you” again for supporting us in our 2019 Senior Program with 11 gifts. Your support has helped us for over 20 years and we want to say how happy we are having friends like you helping us. Take care and Happy New Year to all. God Bless.

From the Staff of Emmanuel Friedens Church

Dear Emmanuel Friedens members and friends,

Thank you so much, for the generous year-end Christmas gift I received. I appreciate it very much personally, as well as the ongoing caring and support it represents. I am also grateful for the gifts to my fellow staff members, all three of whom work tirelessly on our behalf, whether through providing warm welcome and great newsletters, a clean and functioning church building, or beautiful music every Sunday week in and week out. Thanks for the appreciation and support for each of them, demonstrated in your generous gifts....

Peter

Peter JB Carman, Pastor

From Michael Harrison: Many thanks to the EFC congregation for your very generous Christmas gift. It is much appreciated. I hope to use it toward making some overnight explorations of New England in the coming months. Best wishes to all for a happy and music-filled New Year.

From Maria Puccio: Again, I would like to thank the EFC congregation for your most generous Christmas gift. The Christmas gift will be put to good use as I do have a couple of concerts that I would like to attend this summer. “time flies when you are havin’ fun” 11 yrs at EFC, WOW. I wish all of you a happy and healthy 2020.

From Dave Snyder: I very much appreciated the Christmas gift. Thank you for your thoughtfulness.
